Strong as steel ... Clear as glass

Extremely Strong

Polycarbonate is also used to construct police riot shields.

Great Visibility

90% Visibility, the highest of any roller shutter.

Superb Quality

ISO9001 Quality Certified.

Ultra Reliable

Tested to 11,000 cycles – Up to three times the life of ordinary shutters.

Virtually Silent Running

Unique for a high security roller shutter.

“Excellence in retractable security”
www.amosecurity.co.uk

Facade is the UK and Europe's leading polycarbonate roller shutter system. Individually manufactured in our ISO9001 certified plant using only the highest quality European sourced components.

Facade is tested to 11,000 cycles. This equates to an incredible 15 years of daily use! Maintained correctly, Facade's lifespan can be up to three times that of an ordinary shutter, making it an incredible cost effective solution.
